Dear Mr. Pratap Singh,

I extend my warmest greetings to all the members associated with the International Aainball Federation (FIAB) and the Global Wellness Festival.

Regarding your letter, I commend FIAB for its exemplary work in the Ahmedabad city and state. Your efforts towards the community have significantly improved mental health and well-being.

The upcoming International Aainball Summit, Child-Mother Competition, National Unity Cup, and Global Wellness Awards will surely inspire the future generation, strengthen the city's sports culture, make individuals healthier, and empower them for a brighter future.

I convey my best wishes for the success and effectiveness of these programs.

Kind regards,

Pratibha Jain
